## Diploma in Public Administration:

### Specialising:

Public Management

Local Government

Supply Chain Management

Disaster & Risk Management

**NQF Level: 6**

**SAQA ID: 97884**

**Location:** ML Sultan Campus (Durban-Mariam Bee: 3<sup>rd</sup> Floor)  
Riverside Campus (Pietermaritzburg)

## Description of the Programme

The aim of the Diploma is to prepare students for careers in the public sector. The object is to prepare students for entry into niche areas of the different spheres of government, and to offer invaluable guidance on managerial competencies for those preparing to enter higher levels of the public sector.

Owing to the accelerated changes and transformation in Government in South African, with particular emphasis on best practices and good governance, the programme is structured and geared to address inter alia, management, development, and delivery of programmes of reconstruction and development.

The programme is designed to offer both practical and theoretical knowledge on a variety of issues ranging from public finance, personnel management, sustainable development, legislative procedures, information technology, and knowledge skills applications necessary for public managers, to models of governance. The diploma is a pre-requisite for advancement to higher levels in the public service.

## Duration of the Programme

Three years full-time

## Career Opportunities

Administrative officer, Manager (e.g., Human Resources, Supply chain), Procurement Officer, Disaster & Risk Practitioner (at all levels of government), Local Government Consultant, Divisional Head, Assistant Director.
